# YOUR **Turnkey Solution** for Claims Administration

Hi-Tech Health builds claims administration systems that serve TPAs, Carriers, Provider Sponsored Plans, Medicare Advantage, and more.

Our company was founded in 1990 by a core group of developers who wanted to enhance the healthcare marketplace. The result is a platform called Series 3000 that is completely customizable to meet any payer’s needs.

For over 30 years, we’ve upheld the highest standards in security, compliance, flexibility, and customization. **Let us serve you - for the long haul.**

## Your System Will Stay Up to Date

We upgrade our communications and IBM hardware every two to three years and maintain System Critical Support with all of our vendors.

## We've Got You Covered - No Matter What

With a 99% up time, you'll have a system you can trust. In the event of a natural disaster, our hot site has a quick restore time, so you're covered even in a crisis.

## Your Strategic Partner for Years to Come

As your business grows, we'll scale your platform to continue to meet your needs. With us by your side, you'll have a strategic partner to support you now - and in the future.

# You have nothing to lose - and a **turnkey solution to gain.**
